ORDER

ROBERT W. LEHRBURGER, United States Magistrate Judge.

This order addresses the parties' status report and requests regarding fact discovery at Dkt. 18. The parties' requests are granted as follows: Fact discovery is extended to **March 1, 2025**. Party depositions shall be completed by **February 14, 2025**. Defendant has not indicated any attempt to follow up with Community Medical Imaging ("CMI") to inquire about status or expedite provision of medical records with respect to the authorization Plaintiff furnished more than seven months ago. Given that Defendant already has received the two MRI reports from Plaintiff, and the extent to which discovery previously has been extended, Defendant shall proceed with Plaintiff's deposition regardless of whether the records from CMI have been received.

SO ORDERED.

A handwritten signature in black ink, appearing to read 'R. Lehrburger', is written above a horizontal line.
